JAVANESE CULTURE

Javanese Culture & Recreation

International Office Diponegoro University in the collaboration with International Seminar on New Paradigm and Innovation on Natural Sciences and Its Application (ISNPINSA)'s committee proudly presents the one day course for foreign and national scientist to come and getting close to the old fashioned Javanese heritage on October 9, 2015. The course will be conducted at field that is located relatively close to Borobudur temple.

Only with the registration fee of USD 99, all these things will be provided: sight seeing inside of Borobudur (entrance fee is included), getting a buzz out of assorted tropical fruits' party, and building your ceramic creature.
